Application for business license No. 538 was ordered granted. Application No. 537 was refused, the location of the business proposed being in a dwelling zone.

The application of Fred Auch for a position in the playgrounds was ordered filed.

A petition signed by all the residents in the 400 blocks of Oak Street and Walnut Street asking that the use of vacant lots along Hutchins Street be restricted to the uses contemplated by the zoning ordinance. It was received, read and ordered filed, for future reference.

Mrs. Henry Zilke applied by letter for permission to construct a trailer camp at 225 Vine Street, also M. J. Seeley applied by letter for permission to have a trailer camp on the Old Lockeford Road, East of Cherokee Lane. No Action taken on either application.

Ordinance No. 244 entitled "ORDINANCE REGULATING THE SANITATION AND CONDUCT OF CAMP CARS AND/OR TRAILERS IN THE CITY OF LODI, CALIFORNIA" was introduced on motion of Councilman Graffigna, seconded by Councilman Clark and by the same motion ordered laid over for the statutory period of not less than five days.

Claims in the amount of \$755.71 as passed by the Finance Committee were allowed and warrants ordered issued on motion of Councilman Spooner, seconded by Councilman Graffigna.

The Clerk was directed to forward to the Superintendent of the Southern Pacific a notice of the rough and dangerous condition on their various main line crossings throughout the City.

The Council considered the recommendations of the City Planning Commission that Lockeford Street be made a boulevard or through street and the Clerk was directed to have the City Attorney prepare the proper resolution or ordinance, also to make an estimate of the cost of the stop signs for the various intersections on this street.

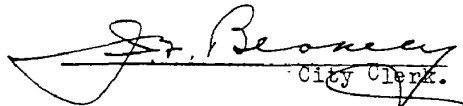

On motion of Councilman Spooner, seconded by Councilman Graffigna, the City Engineer was instructed to install a foot passenger cross-over between the curb and the street surface on Central Avenue North of Elm Street.

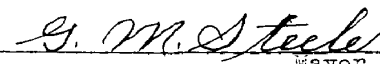

Mr. John A. Henning reported that there were sixty-three places in the City where street lights might be installed at intersections. He recommended that the first installations be made by the City on electric poles now standing. Mr. Henning estimated the total cost of installing these sixty-three intersection lights at \$4,000.

At the order of the Mayor, none dissenting the City Council Adjourned.
